master s thesis from the year 2019 in the subject cultural studies holocaust studies grade 1 7 college of jewish studies heidelberg language english abstract this thesis contributes to a comprehensive exploration of the anthropomorphic mouse image in art spiegelman s graphic novel maus as a reaction to walt disney s iconic mickey mouse the discussion delves into the potential motivations and ideologies behind both characters including disney s hidden anti semitic tendencies the thesis aims to scrutinize the intentions of these cartoonists and the historical context in which their creations emerged it employs a comparative approach examining early sketches and illustrations and utilizes primary sources such as maus and metamaus as well as audio materials like interviews with art spiegelman the structure of the thesis comprises chapters dedicated to the cultural significance of the mouse metaphor walt disney s biography the history of comics art spiegelman s background and intentions and concludes with a synthesis of research findings and hypothesis evaluation this study seeks to shed light on the complex relationship between these two mouse images and their cultural implications in this thesis i am attempting to enter a discussion regarding the anthropomorphic protagonist image in art spiegelman s graphic novel maus as a reaction to walt disney s mickey mouse for these purposes i will examine the mouse image of art spiegelman along with walt disney s mouse answering gradually the following questions what led walt disney to use an image of a mouse to create mickey mouse cartoon did walt disney had any hidden ideology behind this specific character what contributed to the presence of an anti semitic factor in disney s biography could art spiegelman s representation in maus graphic novel be considered as a mirror reaction towards walt disney s depiction what were the intentions of the cartoonists i will also provide an overview of the history of the comics in order to specify art spiegelman s background as the cartoonist of a comics medium before entering the discussion some preparatory work is necessary to observe along with the critical materials and methodology which are applied for this dissertation the methods used for this thesis requires close reading of the maus and metamaus¹⁰ which are the primary sources for the chapter concerning art spiegelman the examination of the audio material such as interview collections with art spiegelman provides additional information regarding the creation of the graphic novel maus and

the cartoonist's biographical aspect

since the 1930s the Walt Disney Company has produced characters, images and stories that have captivated audiences around the world. How can we understand the appeal of Disney products? What is it about the Disney phenomenon that attracts so many children as well as adults? In this updated second edition, with new examples provided throughout, Janet Wasko examines the processes by which the Disney Company, one of the largest media and entertainment corporations in the world, continues to manufacture the fantasies that enthrall millions. She analyses the historical expansion of the Disney empire into the twenty-first century, examines the content of Disney's classic and more recent films, cartoons and TV programs, and discusses how they are produced, considering how some of the same techniques have been applied to the Disney theme parks. She also discusses the reception and sometimes reinterpretation of Disney products by different kinds of audiences. By looking at the Disney phenomenon from a variety of perspectives, she provides an updated and comprehensive overview of one of the most significant media and cultural institutions of our time. This important book, by a leading scholar of the entertainment industries, will be of great interest to students in media and cultural studies as well as a broader readership of Disney fans.

an analysis of Disney world and the consumption of leisure

Dieser Parkplaner-Reiseführer nimmt Sie auf eine magische Reise ins Walt Disney World Resort im sonnigen Florida. Mit es geht los mit den vier Themenparks Magic Kingdom, Epcot, Disney's Hollywood Studios und Disney's Animal Kingdom. Parkplaner, der unverzichtbare Reiseführer durch die Themenparks.

This book delves into the fascinating and often overlooked history of Walt Disney's influence in Australia, tracing the cultural impact of iconic characters like Mickey Mouse and Donald Duck from their inception in 1928 to the end of the Vietnam War. The author uncovers how Disney became intertwined with Australian popular culture, reflecting significant technological advancements and global events such as the introduction of radio and television, the Cold War, and more. The chapters investigate a range of topics, including Disney's dual role as a symbol of American culture and a mirror to Australian society. Readers will discover how Disney characters were perceived in Australia during pivotal moments in history, offering both entertainment

and commentary on contemporary issues the author provides expert analysis of disney s complex legacy examining both its positive contributions to australian media and controversial aspects this book invites readers to consider critical questions about cultural exchange and influence making it a must read for media and cultural history scholars looking to understand the intricate relationship between disney and australian culture and indeed how global media can shape national identity and societal values whether you are a researcher in cultural studies or simply an enthusiast interested in disney s global impact this book provides a comprehensive look at an essential chapter in australia s cultural narrative

documents the stunning accomplishments of disney s imaginative genius it is not a flattering portrait library journal

this expanded and revised edition explores and updates the cultural politics of the walt disney company and how its ever expanding list of products services and media function as teaching machines that shape children s culture into a largely commercial endeavor the disney conglomerate remains an important case study for understanding both the widening influence of free market fundamentalism in the new millennium and the ways in which messages of powerful corporations have been appropriated and increasingly resisted in global contexts new in this edition is a discussion of disney s shift in its marketing strategies towards targeting tweens and teens as disney promises to provide via participation in consumer culture the tools through which young people construct and support their identities values and knowledge of the world the updated chapters from the highly acclaimed first edition are complimented with two new chapters globalizing the disney empire and disney militarization and the national security state after 9 11 which extend the analysis of disney s effects on young people to a consideration of the political and economic dimensions of disney as a u s based megacorporation linking the importance of critical reception on an individual scale to a broader conception of democratic global community

in this thoroughly revised and expanded second edition of an acclaimed handbook leading experts explore the multiple facets of ip licensing law from a global and comparative perspective

contributions by walter benjamin lillian disney walt disney e m forster stephen jay gould m thomas inge jim korkis anna quindlen diego rivera gilbert selles maurice sendak john updike irving wallace cholly wood and many others ranging from the playful to the fact filled and to the thoughtful this collection tracks the fortunes of walt disney s flagship character from the first full fledged review of his screen debut in november 1928 to the present day mickey mouse has won millions of fans and charmed even the harshest of critics almost half of the eighty one texts in a mickey mouse reader document the mouse s rise to glory from that first cartoon steamboat willie through his seventh year when his first color animation the band concert was released they include two important early critiques one by the american culture critic gilbert selles and one by the famed english novelist e m forster articles and essays chronicle the continued rise of mickey mouse to the rank of true icon he remains arguably the most vivid graphic expression to date of key traits of the american character pluck cheerfulness innocence energy and fidelity to family and friends among press reports in the book is one from june 1944 that puts to rest the urban legend that mickey mouse was a password or code word on d day it was however the password for a major pre invasion briefing other items illuminate the origins of mickey mouse as a term for things deemed petty or unsophisticated one piece explains how walt and brother roy disney almost single handedly invented the strategy of corporate synergy by tagging sales of mickey mouse toys and goods to the release of mickey s latest cartoons shorts in two especially interesting essays maurice sendak and john updike look back over the years and give their personal reflections on the character they loved as boys growing up in the 1930s

branded a cultural chernobyl and the tragic kingdom the euro disney resort has been on its own thrill ride since opening in 1992 the much publicized version of the magic kingdom gave europeans alcohol free mocktails surly employees even colors too muted for the disney image facing financial disaster was it any wonder that disney execs found themselves wishing upon

a star for answers after so many knee jerk criticisms of euro disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of american cultural imperialism andrew lainsbury a former euro disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine europe s love hate relationship with euro disneyland and some of the undiscussed issues surrounding it once upon an american dream is a story of global capitalism on a grand scale lainsbury has plumbed company archives and interviewed key players to give readers the real view from le chateau de la belle au bois dormant sleeping beauty s castle he cracks open the euro disney controversy to reveal the park not as a tragic experiment in exporting american culture but the result of european efforts to import a popular form of american entertainment lainsbury tells how the walt disney company came to build a european park and locate it in france how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from saudi arabia he reveals what it took to win back the hearts of skeptical europeans such as serving wine selling flashy merchandise and placating disgruntled workers finally he looks into the magic mirror to speculate on the role of euro disney and the walt disney company in the twenty first century ultimately lainsbury shows that cultural imperialism is not an exclusively american phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared once upon an american dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what euro disneyland is all about

companies that changed the world tells the fascinating stories of 50 joint stock companies or companies based on that model that have exerted a critical influence on the social and economic history of the past four hundred years as well describing clearly and accessibly the companies growth and influence over time and profiling the pioneering entrepreneurs who built them jonathan mantle s text is crammed with intriguing and unexpected information from the role played by the humble pigeon in the history of news dissemination to how a pharmacist s five cent patent medicine became the world s most powerful brand each of the 50 companies profiled has changed and reflected change in the world of its time in far reaching and often unexpected ways together their stories amount to nothing less than a concise history of commerce and capitalism
