atualmente sabemos bem mais sobre as diferentes formas de aprender compreendemos que há inúmeras possibilidades de efetivação do processo de ensino e aprendizagem ao contrário do que os educadores sabiam há um século além de auxiliar na busca de soluções para o atendimento satisfatório dos educandos estes conhecimentos também nos impõem grande responsabilidade uma vez que aos olhares desavisados que ignoram o fato de que cada indivíduo é único e do mesmo modo a forma como aprende todas as repostas estão dadas pelas teorias neste contexto apesar de a escola não ser o único espaço de formação e construção do conhecimento desde a estruturação dos modernos sistemas de educação de massa no século xix a instituição escolar tornou se o principal espaço de integração social e de preparação para o mundo do trabalho desde então observamos a crescente transferência para a escola das questões sociais o que exige que esta os seus autores e os meios utilizados tragam respostas às necessidades sociais emergentes na contemporaneidade além dos pontos acima destacados um dos maiores desafios é arquitetar práticas pedagógicas em que o professor articule o processo de ensino atendendo à função social e educativa que a escola possuí ou seja compreendendo que o ato de ensinar

estimula diferentes aprendizagens para a concretização dessas novas abordagens e o consequente envolvimento dos alunos é imprescindível a formação continuada dos professores o que nem sempre é possível em virtude de questões financeiras e estruturais especialmente da rede pública portanto o desafio da qualificação e atualização docente é também um ponto que afeta a educação brasileira na contemporaneidade especialmente após a pandemia de covid 19 que expôs a desigualdade de nossa educação refletir sobre estes e outros desafios característicos do contexto que vivenciamos cujos reflexos são nítidos no campo da educação é o ponto de partida da presente obra cujo principal objetivo é auxiliar na compreensão das questões latentes na educação contemporânea esperamos que as leituras destes capítulos possam ampliar seus conhecimentos e instigar novas reflexões sobre a educação

second language program development and administration is a long standing area within the larger field of applied linguistics in many ways it is the quintessential applied linguistics field as it crosses disciplinary boundaries while balancing the rigors of scholarly inquiry with the demands of practical application without losing sight of concrete learner outcomes the routledge handbook of language program development and administration provides a scholarly rigorous yet practically relevant treatment of issues implicated in program development and administration with 52 chapters written by leading scholars in the field authors not only address the theoretical underpinnings of their respective topics but also provide actionable evidence based recommendations concerning eminently practical matters in this way the volume provides both novice and experienced language program administrators with important guidance on how to think about the work that they do and how best to go about it while also validating language program administration as a scholarly area of inquiry the routledge handbook of language program development and administration is essential reading for practicing second language program administrators at the post secondary level in service and pre service second language instructors graduate students in applied linguistics and even upper level undergraduate education students considering second language teaching as a future career chapters 9 and 11 of this book are freely available as downloadable open access pdfs at taylorfrancis com under a creative commons attribution non commercial no derivatives cc by nc nd 4 0 license
